### **\*\*Passing Academy/ Hitter Academy Very Popular!**

We are excited about offering these! There is such a demand for players to learn these positions in more depth and that is what this camp is all about. These were created to go hand-in-hand with our all-skills camps. We want you to learn the whole game, in the all-skills camp, and to get specific in a certain skill. For 6<sup>th</sup>-9<sup>th</sup> graders in the Passing Academy, we will emphasize digging and passing (teaching the specific skills necessary for each), working with setters in the Setter Academy, plus other important skills for these specific players. In the Hitter Academy, we will spend time on arm position, body position, attacking angles, power approaches, plus so much more. We encourage you to come to the All-Skills camp, and one of the specialty academies to get the most skill enhancement. If you want to be a 6 rotation player, these are great opportunities for you to add to the All-Skills camp.

## Skills

Skills covered in all-skills camps include Serving, Passing, Setting, Attacking, Movement, Offensive and Defensive team play, and personal defensive skills.

## Setter Academy

For incoming 6<sup>th</sup> graders and up. This is the 12<sup>th</sup> year of our setter training camp. From beginners to the more experienced setter, we will emphasize the progression of basic fundamentals and proper techniques necessary in setting. Setters will learn proper footwork, hand position, set tempo set adjustments, working with DS Academy and Hitter Academy kids, as well as many other drills and exercises they can work on at home.

## 3<sup>rd</sup> – 5<sup>th</sup> Grade

For students who are entering 3-5<sup>th</sup> grade in the fall. Instruction covers basic fundamentals, movement skills, and modified games on smaller courts with lower nets and lighter balls. Skills are taught and practiced leading up to games. Campers will be participating in a serving contest, triples, and 6 on 6 competitions.

## 6<sup>th</sup> -9<sup>th</sup> Grade

Designed for students entering 6<sup>th</sup> -9<sup>th</sup> grades in the fall. All skills are covered at a level they will need for junior high and high school play. Campers are grouped according to skill level in order to meet each girls needs more effectively. All fundamental skills are covered, including offensive and defensive systems. Campers participate in doubles, triples, and team competitions. Recommended for girls wanting to learn skills or brush up on skills in preparation for school tryouts in August.

## \*\*Open Play\*\*

Our special 'play time' is a great time to bring a group of campers to play some 6 on 6! The gym will be open May 30-June 1 from 5:30-7:00, and June 5-7 from 4:00-5:30.
